On February 13, 1975, source advised that Dr. WILLIAM L. PIERCE, Executive Secretary, National Alliance/National Youth Alliance (NA/NYA), employs three paid staff members: [REDACTED]

b6
b7C
b7D

[REDACTED]

Source described the Alliance as having no real internal organization, therefore, staff workers have no exact job titles. Dr. PIERCE completely controls the operation and delegates little authority and responsibility to his employees (PIERCE even answers the headquarters telephone).

[REDACTED] are assigned the responsibility of [REDACTED] the Alliance's public newspaper racks [REDACTED]

b6
b7C
b7D

[REDACTED] usually works at Alliance Headquarters and contributes [REDACTED] the newspaper "Attack."

[REDACTED] also does some menial administrative work in the office.

Dr. PIERCE handles all telephone calls, correspondence, financial records and personally maintains the party's mailing list.

Apparently PIERCE's main Alliance strategy is to expand his organization in the Metropolitan Washington area in order to increase membership and financial contributions. PIERCE has shown no real interest in expanding into other areas of the country until he can consolidate the Alliance in the Metropolitan area. In furtherance of this strategy PIERCE will continue to conduct local public meetings in an attempt to attract new members and supporters. (The next public meeting is scheduled for the first week of March at the Ramada Inn, Alexandria, Virginia - exact date and time unknown at this time.) PIERCE is not publicity motivated, therefore, at this stage he plans no large rallies or public demonstrations. He believes the Alliance lacks adequate manpower to successfully stage an effective protest.

Source stated PIERCE in a recent publication (leaflet) purposely used words which were more militant and revolutionary in order to evaluate public acceptance. Subsequently, the Alliance has received a very negative reaction from its supporters as most thought PIERCE's language was too strong. In view of this negative reaction, PIERCE has decided to discontinue publishing any statements of a militant and/or revolutionary nature.

NA/NYA staffers [redacted] currently
maintain 80 "Attack" newspaper racks in Washington, D. C.
(vicinity of the White House). [redacted]
[redacted]

PIERCE is very keen to expand the number of racks in the
future with the main concentration remaining in

NATIONAL ALLIANCE;
NATIONAL YOUTH ALLIANCE

The National Alliance (NA) and the National Youth Alliance (NYA) are characterized in the Appendix to this communication.

On March 3, 1975, a confidential informant, who has furnished reliable information in the past, provided information concerning a public meeting sponsored by NA/NYA, which was held on Sunday, March 2, 1975, in the Arlington Room North, Pentagon City Quality Inn, 300 Army-Navy Drive, Arlington, Virginia. The source noted that the meeting originally had been scheduled to be held at the Ramada Inn of Alexandria, 901 North Fairfax Street, Alexandria, Virginia, but the NA/NYA reservation was cancelled by the Ramada Inn of Alexandria during the week of February 24, 1975.

The above informant advised that approximately 26 individuals attended the NA/NYA meeting on March 2, 1975. The source said that all but three or four of those present had attended previous NA/NYA meetings. He said that the meeting lasted from approximately 3:00 p.m. to 5:00 p.m., and he doubted that the admission charge of one dollar per person and a collection of contributions during the meeting amounted to enough to equal the expenses of putting on the meeting.

According to the above source, Dr. William L. Pierce, Executive Director of NA/NYA, was the main speaker. He said that an unidentified "guest speaker"

advertised in a printed leaflet mailed to NA/NYA members and supporters failed to materialize. The source said that the text of Pierce's talk closely paralleled material in recent NA/NYA publications alleging "communist" and "Zionist" connections on the part of the recently appointed Attorney General of the United States, Edward Levi, and suppression of the facts concerning Levi at the time of his confirmation by the news media.

Ronald Ray Mc Goskey, an NA/NYA employee, acted as master of ceremonies for the meeting on March 2, 1975, and introduced Pierce and Dennis Warren Nix, NA/NYA Organizer and Assistant Editor of the NA/NYA tabloid newspaper, "Attack!". Both Nix and Pierce discussed the cancellation of the NA/NYA meeting by the Ramada Inn of Alexandria and a cancellation of the re-scheduled meeting by the Holiday Inn. They speculated that the cancellations resulted from a personal intervention by an employee of the United States Department of Justice in collusion with an employee of the "Alexandria Gazette", a newspaper published at Alexandria, Virginia, which was supposed to have carried an announcement of the NA/NYA meeting, described as a 'white people's meeting', in its issue of February 28, 1975. It was stated that NA/NYA had lawyers investigating the cancellation of the NA/NYA meeting in order to determine whether or not grounds for a lawsuit exist.

March 5, 1975

A meeting of the National Alliance was scheduled for 3:00 p. m. on Sunday, March 2, 1975, at the Ramada Inn of Alexandria, 901 North Fairfax Street, Alexandria, Virginia; however, people arriving at the Ramada Inn of Alexandria to attend the National Alliance meeting were met by an unidentified man who advised that the meeting would be held at the Quality Inn, 300 Army-Navy Drive, Arlington, Virginia, and furnished copies of a hand-drawn map with directions to the Quality Inn.

The National Alliance meeting at the Quality Inn, 300 Army-Navy Drive, Arlington, Virginia, began at about 4:15 p. m. with approximately thirty to thirty-five people in attendance. DENNIS NIX spoke first and explained that the meeting had been removed from the Ramada Inn of Alexandria, because the National Alliance reservation had been cancelled by the Ramada Inn. NIX stated that the National Alliance had placed ads in "The Washington Post" and the "Washington Star-News" inviting people to attend a "white people's meeting" on March 2, 1975, and that the newspapers refused to run the ads in that form. He said it appeared in "the Washington Post" in a modified form. NIX said that after the ad had been placed, the United States Attorney at Alexandria, Virginia contacted the Ramada Inn of Alexandria concerning the National Alliance meeting, and the Ramada Inn cancelled the National Alliance reservation on the grounds that the meeting might incite employees of the Ramada Inn. NIX stated that the National Alliance had contacted the United States Attorney's Office and had been advised that there is nothing illegal with respect to holding a "white people's meeting". He said the United States Attorney denied the allegation that he had caused the National Alliance meeting to be cancelled by the Ramada Inn.

The main speaker at the meeting on March 2, 1975, was WILLIAM L. PIERCE, who discussed the appointment of EDWARD LEVI as Attorney General of the United States and LEVI's connections with communism and the Anti-Defamation League. PIERCE also mentioned the cancellation of the National Alliance meeting by the Ramada Inn of Alexandria

and indicated that National Alliance attorneys were investigating the matter to determine if the National Alliance should initiate legal action.

[redacted] were present at the National Alliance meeting on March 2, 1975. [redacted] was overheard making plans with two unidentified middle-aged white males, who gave the appearance of being businessmen, to go to see a movie made of the Olympic Games in Germany.

It will be recalled that the National Youth Alliance was organized under the aegis of WILLIS ALLISON CARTO, founder of Liberty Lobby, following the 1968 presidential election and was incorporated in the District of Columbia on 3/5/69. The organization was headed by LOUIS T. BYERS

and supported by CAMO until 1970, when it became deeply indebted to creditors and practically inactive. During 1970, WILLIAM L. PIERCE, Information Officer and theoretician of the National Socialist White People's Party (NSWPP), formerly the American Nazi Party, had a falling out with NSWPP Commander MATTHIAS KOEHL, JR., over the leadership of the NSWPP, and was expelled by KOEHL from the party.

PIERCE and BYERS joined together to take over control of the National Youth Alliance, and the organization was chartered on 10/14/70 as a Virginia corporation with BYERS as President and PIERCE as Secretary-Treasurer. PIERCE and BYERS were accused by CAMO of stealing the Liberty Lobby mailing list and using it to initiate the new National Youth Alliance organization. A lawsuit instituted by CAMO to recover damages from PIERCE dragged on for several years and eventually was dropped. Subsequently, BYERS was removed as president of the National Youth Alliance, in order to avoid liability for the debts of the previous organization, but PIERCE and BYERS continued to maintain a close association.

PIERCE established National Youth Alliance Headquarters at 1656-33rd Street, N.W., Washington, D.C. (WDC) in the latter part of 1970, and it remained there until August, 1972. During this period, the Bureau concurred in a recommendation by Alexandria that WFO become office of origin in the investigation of PIERCE, who then resided at Triangle, Virginia, since the activities of PIERCE and the National Youth Alliance were inseparable. WFO has remained office of origin to the present time, although PIERCE changed his residence in the latter part of 1972 to Fredericksburg, Virginia, territory of the Richmond Office.

In August, 1972, headquarters of the National Youth Alliance was moved to 1022 Wilson Boulevard, Suite 2012, Arlington, Virginia, although the National Youth Alliance

WFO 157-6371

Headquarters mailing address continued to be published as Box 3535, WDC. The National Alliance was chartered in the state of Virginia on 2/26/74, and headquarters for the National Alliance/National Youth Alliance was established at about that time at 703 South 23rd Road, Arlington, Virginia; however, the headquarters mailing address continues to be published as Box 3535, WDC. Since the creation of the National Alliance in February, 1974, all activities and all publications (except "Action," the internal bulletin of the National Youth Alliance) carry the name of the National Alliance, and the National Youth Alliance is described in organizational publications as a subsidiary of the National Alliance, which exists for members and supporters of the "movement" under thirty years of age.

RECOMMENDATIONS

1) It is recommended that future investigation of the National Alliance and the National Youth Alliance be combined in one file captioned "National Alliance/National Youth Alliance."

2) It is recommended that Alexandria be made office of origin in the investigation of National Alliance/National Youth Alliance, since organizational headquarters is located in Arlington, Virginia and most activities and principals are centered in the Arlington-Alexandria area.

3) It is recommended that either Alexandria or Richmond be made office of origin in the investigation of WILLIAM LUTHER PIERCE, since PIERCE is on the ADEX and neither resides nor is employed in WDC at this time.

LEAD

Alexandria agrees with the recommendations of WFO and in the future will conduct investigation concerning captioned organizations from one file, AX 157-27. UACB, Alexandria will assume origin in the investigation of the NA/NYA. Since most of the daily activities of WILLIAM L. PIERCE take place in the Arlington area, it appears most logical that Alexandria also be origin in his case. WFO should submit FD-128 with current report or LHM.

UACB, FD-128 changing Office of Origin in the case on PIERCE to Alexandria will be prepared by WFO, together with a current LHM on PIERCE. ➡

Alexandria has suggested that the case on [redacted] also should be handled by Alexandria, since this informant provides coverage on both PIERCE and National Alliance/National Youth Alliance. Employment and Residence

A confidential informant who has furnished reliable information in the past advised on April 21, 1975, that William Luther Pierce continues to be Executive Director of the National Alliance (NA) and the National Youth Alliance (NYA) and chief architect of NA/NYA policies and activities. According to the source, Pierce has an office at NA/NYA Headquarters, 703 South 23rd Road, Arlington, Virginia.

The NA/NYA is characterized in the Appendix to this communication.

WILLIAM LUTHER PIERCE

Activities

A second confidential informant who has furnished reliable information in the past advised on February 13, 1975, that NA/NYA has no real internal organization, since Pierce completely controls the operation and delegates little authority and responsibility to others. The source said that Pierce personally handles all telephone calls, correspondence and financial records and maintains the organization's mailing list in his personal possession. The NA/NYA staff perform some menial administrative tasks at headquarters and make some contributions to NA/NYA publications; however, the primary responsibility given employees by Pierce is the distribution and sale of the NA/NYA tabloid newspaper, "Attack".

The source last mentioned above indicated that Pierce's organizational strategy appears to be to enlarge the NA/NYA in the Washington, D.C. area in order to increase membership and financial contributions and that he has no real interest in expanding into other areas of the country at this time. The series of public meetings sponsored by NA/NYA in the local area seems to be an attempt to attract new members and supporters, pursuant to this strategy. No large rallies or public demonstrations sponsored by NA/NYA are contemplated, since Pierce does not feel that the Alliance has adequate manpower to successfully stage an effective protest.

The second confidential informant mentioned above noted that a recent leaflet issued by NA/NYA purposely conveyed a militant tone in order to evaluate public acceptance. He said that a negative response to the strong language used in this publication led Pierce to discontinue publishing material of a "revolutionary" nature.

WILLIAM LUTHER PIERCE

On January 8, 1975, February 3, 1975, and March 3, 1975, the first confidential informant referred to previously herein advised that Pierce participated as a speaker in public meetings sponsored by NA/NYA, which were held on January 7, 1975, February 2, 1975, and March 2, 1975, respectively. This source disclosed on April 21, 1975, that he believed the program of public meetings begun by NA/NYA had been discontinued for the present time because of disappointing attendance and financial considerations. Reportedly, the meeting on March 2, 1975, resulted in a substantial financial loss.

The above source advised on February 24, 1975, that Pierce led a group of seven individuals representing the NA/NYA in picketing the Justice Building, Washington, D.C., on that date as a protest to the appointment of Edward H. Levi as Attorney General of the United States. Reportedly, the NA/NYA demonstration was for the purpose of publicizing Levi's alleged communist and Zionist connections and gaining nation-wide press coverage for NA/NYA.

The first confidential informant mentioned above advised on April 21, 1975, that Pierce and NA/NYA apparently were experiencing financial difficulties. The source indicated that [REDACTED]

Miscellaneous

On March 3, 1975, Pierce made a complaint to agents of the Federal Bureau of Investigation, Alexandria, Virginia, concerning a threatening note he had received in the mail written on a copy of "Attack" newspaper. This newspaper was delivered in a manila envelope addressed to "Gral W. Pierce, National Alliance Against Blacks, Box 3535, Washington, D.C. 20007." The note was written on the newspaper with red magic marker and stated: "We are coming after you and your family;" "we are watching you everywhere;" and "Garbage is bastards with complex of inferiority without family life, poor pigs."

WILLIAM LUTHER PIERCE

On March 3, 1975, Assistant United States Attorney [redacted] Alexandria, Virginia, after reviewing the above facts, stated that they constituted insufficient grounds for prosecution at this time. He stated that if Pierce should receive further threats, he would reconsider prosecutive action.

It was learned that Dr. William L. Pierce, Executive Director of the National Alliance/National Youth Alliance (NA/NYA), has obtained a part-time job. Reportedly, Pierce is working three days per month selling surplus equipment obtained from the National Aeronautics and Space Administration. It has not been determined for whom Pierce is working. It is said, however, that \$100,000 worth of surplus equipment was purchased for \$10,000 and presumably will be resold at a profit.

supported the Soviets with respect to their policies toward Soviet Jews and had occasionally published articles giving the basis for Soviet policies toward Jews for the purpose of exposing alleged distortions in pro-Zionist propaganda relating to this issue.

On 11/19/73, [] advised PIERCE solicited Arab diplomatic establishments and organizations in Washington, D.C., at about the time of the outbreak of hostilities between the Arabs and Israel in October, 1973. The informant indicated that PIERCE had provided each of these establishments and organizations with copies of past issues of the NYA tabloid newspaper, "Attack!", which featured pro-Arab articles, and other information concerning NYA's anti-Zionist activities with the hope of receiving financial assistance from these establishments and organizations. The informant stated that although he believes PIERCE might have had assistance from such establishments or organizations from time to time in the past in the form of information and photographs for publication in "Attack!", he knew of no financial contributions which had been received from these sources. He pointed out that Arab diplomats and supporters in the United States are very conscious of the distinction between anti-Zionism and anti-Semitism and generally avoid working relationships with anti-Semites.

On 2/12/75, [] advised that PIERCE had been in contact with the Embassy of Saudi Arabia, Washington, D.C. Title: WILLIAM LUTHER PIERCE

Character: EXTREMIST MATTER -
NATIONAL ALLIANCE/NATIONAL YOUTH ALLIANCE (NA/NYA)

Synopsis: PIERCE is Executive Director of the NA/NYA located at 703 S. 23rd Street, Arlington, Va., and resides at 1703 Williams Street, Fredericksburg, Va. In April, 1974, PIERCE incorporated the NA in the State of Virginia and established the NYA as the youth arm of the parent organization. PIERCE completely dominates NA/NYA in that he writes all material for the tabloid newspaper, "Attack!" and the internal bulletin, "Action;" maintains and handles all financial records; answers all correspondence; makes all public speaking appearances; and personally handles all telephone calls. PIERCE has published articles in "Attack!" calling for U.S. soldiers to disobey orders and for private citizens to hide and conceal their personal weapons. PIERCE has stated in "Action" that the tabloid newspaper "Attack!" will remain a revolutionary newspaper and that current American problems can only be solved by revolution. During October, 1973, PIERCE brought suit to stop U.S. Secretary of Defense from continuing shipments of arms to Israel, but suit was dismissed. PIERCE SHOULD BE CONSIDERED POSSIBLY ARMED AND DANGEROUS.

B. Employment

PIERCE is Executive Director of the National Alliance/National Youth Alliance (NA/NYA), a characterization of which is contained in the appendix hereto, Box 3535, Georgetown Station, Washington, D.C., and maintains a business office at 703 South 23rd Street, Arlington, Virginia. PIERCE previously rented office space at 1022 Wilson Boulevard, Suite 2012, Arlington, Virginia.

(AX T-1,

D. Personal Weapons

PIERCE, while located at his former headquarters, 1022 Wilson Boulevard, Suite 2012, Arlington, Virginia, maintained a loaded Smith and Wesson .38 caliber snub-nose revolver in his desk. PIERCE carried this weapon on his person when out at night on business.

(AX T-1,
January 15, 1973)

It was reported that PIERCE was seen carrying a .25 caliber Colt automatic pistol in his side trouser pocket.

(AX T-1,
July 2, 1973)

II. EXTREMIST ACTIVITY

A. NA/NYA Internal Organizational Structure

A confidential informant advised that the NA/NYA has no real internal organization since PIERCE completely controls the operation and delegates little authority and responsibility to others. PIERCE personally handles all telephone calls, public speaking engagements, correspondence and financial records. Staff members perform some menial administrative tasks, however, their primary responsibility is the distribution and sale of the NA/NYA tabloid newspaper, "Attack!"

(AX T-2,
February 13, 1975)

PIERCE's organizational strategy appears to be to enlarge the NA/NYA in the Washington, D.C. area in order to increase membership and financial contributions and that he has no real interest in expanding into other areas of the country at this time. The series of public meetings sponsored by NA/NYA in the local area seems to be an attempt to attract new members and supporters, pursuant to this strategy. No large rallies or public demonstrations sponsored by NA/NYA are contemplated, since PIERCE does not feel that the Alliance has adequate manpower to successfully stage an effective protest.

(AX T-2,
February 13, 1975)

B. NA/NYA Activities

On April 14, 1973, PIERCE participated in a demonstration held in Washington, D.C., to protest against the advancement of Communism within the United States.

(AX T-1,
April 16, 1973)

On December 8, 1973, PIERCE accompanied Dr. EDWARD R. FIELDS, National Secretary of the National States Rights Party (NSRP), a characterization of which is contained in the appendix hereto, and his supporters during a demonstration at the White House, Washington, D.C. The participants carried picket signs protesting the United States' support of Israel.

(AX T-1,
December 10, 1973)

On July 4, 1974, PIERCE officiated a wreath-laying ceremony at the Tomb of the Unknown Soldier of the Revolutionary War, Old Presbyterian Meeting House, 321 South Fairfax Street, Alexandria, Virginia.

(AX T-1,
July 9, 1974)

On November 24, 1974, PIERCE conducted a NA/NYA meeting at the organizational headquarters, 703 South 23rd Street, Arlington, Virginia. PIERCE discussed the organization's

AX 157-16

objectives for the immediate future and indicated that the NA/NYA would begin to hold regularly scheduled meetings with guest speakers in an effort to attract new members.

(AX T-1,
November 25, 1974)

On February 24, 1975, PIERCE and seven NA/NYA supporters demonstrated at the U.S. Department of Justice, Washington, D.C. Participants carried placards with sayings such as:

"LEVY out"

"No Red for U.S. Attorney General"

"Red LEVY Go Back to Communist Party"

(AX T-1,
February 24, 1975)

On March 2, 1975, PIERCE conducted a NA/NYA business meeting at the Pentagon City Quality Inn, 300 Army Navy Drive, Arlington, Virginia. PIERCE was the main speaker and spoke on the alleged "Communist" and "Zionist" connection of the recently appointed Attorney General EDWARD LEVY and the suppression of the facts concerning LEVY at the time of his confirmation by the news media.

(AX T-1,
March 3, 1975)

On June 7, 1975, PIERCE conducted a NA/NYA public meeting at the Howard Johnson Hotel-Motel, 2650 Jefferson Davis Highway, Arlington, Virginia. PIERCE, during his speech, predicted economic and social chaos in the months ahead under the present "liberal-Jew dominated administration."

(AX T-1,
June 9, 1975)

AX 157-16

C. Revolutionary Writings

PIERCE is the sole arbiter with respect to the material published in the NA/NYA tabloid newspaper, "Attack!" and the internal bulletin, "Action." PIERCE personally handles the writing, editing and publishing of both items. PIERCE also writes all news letters and leaflets distributed by the NA/NYA.

(AX T-1,
February 6, 1975)

On November 25, 1974, a leaflet published by the NA/NYA entitled, "No More War" was disseminated in the vicinity of the Pentagon, Arlington, Virginia. The militant language used in one paragraph is quoted as follows:

"Time has come for military personnel to seriously consider disobeying orders which put Israel's interests ahead of American interests. The time has come for civilians to engage in acts of civil disobedience - even sabotage - in order to halt the further involvement of America in Israel's military schemes. The time has come to punish traitors. The time has come to put America first. Help the NA do it."

(AX T-1,
November 26, 1974)

The May, 1975 (number 36) issue of the NA/NYA tabloid newspaper, "Attack!" contains the following articles entitled, "Prepare Now to Bury Guns" and "The Turner Diary." The article "Prepare Now to Bury Guns," written by PIERCE, states the U.S. Government is advocating a citizen disarmament program which will eventually lead to a house-to-house search for personally owned weapons. The article described several methods of concealing and preserving weapons both inside and outside the home. The serialized article, "The Turner Diary," allegedly written by ANDREW MacDONALD summarized life during the early 1980's under the "new organization" which is in armed conflict with the

AX 157-16

present system. The article contains the dialogue describing the plans of revolutionary command to bomb the FBI Headquarters Building, Washington, D.C.

A confidential informant advised that PIERCE is the author of "The Turner Diary" not ANDREW MacDONALD as indicated in the tabloid newspaper, "Attack!"

(AX T-2,
May 9, 1975)

The June, 1975, internal bulletin, "Action" (number 42) contained the following paragraphs:

"Without going into a long dissertation on the subject here, let it suffice to say that "Attack!" is and will remain a revolutionary newspaper because the Alliance believes in two things:

"First, the System will not allow itself to be overturned without an all-out, no-holds-barred fight. Thus, patriots must begin preparing themselves now for the day when they will be called upon to back up their ideas with their guns.

"Second, the problems currently facing America--and, on a larger scale, the White race--have very deep roots and cannot be solved by superficial changes, such as a new man in the White House or a few new laws. What is required is a solution which goes to the roots of the problems and makes profound changes in attitudes and lifestyles, in demographics, in educational philosophy, in economic and governmental structures--in other words, a revolutionary solution."

D. Association with Other White Extremists
Individuals/Organizations

A confidential source advised that PIERCE maintains an extremely good working relationship with

Rights Party.

It was reported that [redacted]
of the Knights of the Ku Klux Klan, a characterization
of which is contained in the appendix hereto, Denham Springs,
Louisiana, will feature several of PIERCE's articles
in a forth coming Klan publication. In addition, [redacted]
offered PIERCE free advertising space for the NA/NYA
in his publication.

(AX T-1,
January 6, 1975)

"Straight Talk," a publication of the Western
Guard Part of Toronto, Ontario, Canada (Volume 6, Number
3), announced on Page Two that 10,000 "Blackmail" leaflets
originally prepared by NYA's Dr. WILLIAM PIERCE had been
distributed by the Western Guard Party in the metropolitan
Toronto area. The announcement indicated that these
leaflets could be purchased from the Western Guard Party
at the cost of thirty for a dollar. The "Book List" of
the Western Guard Party printed in "Straight Talk"
advertises the NA/NYA publication "Attack!" which is
available for thirty cents per copy."

(WF T-1,
March 15, 1974)

III. CIVIL ACTIONS:

On October 26, 1973, PIERCE filed a suit in
U.S. District Court, Alexandria, Virginia to obtain an
injunction to restrain the U.S. Secretary of Defense from
continuing shipment of military arms and equipment to
Israel. A petition for an injunction was filed by PIERCE
as a class action on behalf of himself and all other
U.S. taxpayers.

(AX T-1,
October 29, 1973)

AX 157-16

On February 1, 1974, it was determined that PIERCE's petition for an injunction to restrain the U.S. Secretary of Defense from continuing shipment of military arms and equipment to Israel, was dismissed by the U.S. District Court, Alexandria, Virginia.

(AX T-1,
February 1, 1974)

The May, 1975 (number 41) issued of "Action" contained an article indicating a petition for a writ of certiorari in an injunction by PIERCE against the U.S. Secretary of Defense was accepted by the Supreme Court of the United States. The article stated that if the writ is granted the record of PIERCE's injunction will be reviewed by the Supreme Court.

(AX T-1,
June 12, 1975)

The U.S. Supreme Court denied a petition for a writ of certiorari to review the injunction brought by PIERCE against the U.S. Secretary of Defense.

(AX T-1,
July 1, 1975)

IV. MISCELLANEOUS

On March 3, 1975, PIERCE made a complaint to agents of the Federal Bureau of Investigation, Alexandria, Virginia, concerning a threatening note he had received in the mail written on a copy of "Attack!" newspaper. This newspaper was delivered in a manila envelope addressed to "GRAL W. PIERCE, National Alliance Against Blacks, Box 3535, Washington, D.C. 20007." The note was written on the newspaper with red magic marker and stated, "We are coming after you and your family;" "we are watching you everywhere;" and "Garbage is bastards with complex of inferiority without family life, poor pigs."

AX 157-16

On March 3, 1975, Assistant U.S. Attorney [REDACTED] Alexandria, Virginia, after reviewing the above facts, stated that they constituted insufficient grounds for prosecution at this time. He stated that if PIERCE should receive further threats, he would reconsider prosecutive action.

b6
b7C

NATIONAL ALLIANCE;
NATIONAL YOUTH ALLIANCE

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth For (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racialism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

The February, 1974 (Number 25), issue of "Attack!", the tabloid newspaper published by NYA, announced the formation of a new organization called the National Alliance (NA). The new organization was described in "Attack!" as a "superstructure for an anticipated array of specialized, coordinate groups," of which NYA will continue as the youth group for individuals 30 years of age and under. Persons over 30 years of age wishing to join the "movement" must become members of the new organization. According to "Attack!", "*** the National Alliance will remain generalized in its appeal and its membership and will guide and direct all the special interest groups ***".

NATIONAL STATES RIGHTS PARTY

The National States Rights Party (NSRP), formerly known as the United White Party, was organized in 1957 in Knoxville, Tennessee. The NSRP's official party line promotes hatred against Jews, Negroes, Communists and certain law enforcement agencies. NSRP National Chairman J. B. Stoner has publicly advocated killing or deporting Jews; deportation of Negroes; "doing away with FBI pimps"; and repeal of all civil rights laws. The NSRP carries out its line of hatred through the use of propaganda media and provocative demonstrations.

UNITED KLANS OF AMERICA, INC.
KNIGHTS OF THE KU KLUX KLAN (UKA)

The United Klans of America, Inc., Knights of the Ku Klux Klan (UKA) was chartered in 1961 at Atlanta, Georgia. It was formed as a result of splits in and consolidation of other Klan groups. In July, 1961, the United Klans, Knights of the Ku Klux Klan of America, Incorporated, merged with the Alabama Knights, Knights of the Ku Klux Klan. The merged organization was headed by Robert Shelton. In October, 1961, a majority of the Ku Klux Klan, were merged with the UKA and Robert Shelton continued as the leader.

The UKA is the dominant Klan group in the United States with headquarters located at Tuscaloosa, Alabama, and Klaverns in various states. Robert Shelton, of Tuscaloosa, Alabama, continues to be the Imperial Wizard of the organization. The stated aims and purposes of the UKA are the promotion of Americanism, white supremacy and segregation of the races. Like other Klan organizations, it is anti-Negro, anti-Semitic, and anti-foreign born.

Klan members and leaders have been involved in atrocities including beatings, bombings, and murders, and have engaged in activities seeking to deny others their constitutional rights.

It was learned that Dr. William L. Pierce, Executive Director of National Alliance/National Youth Alliance (NA/NYA) of Arlington, Virginia, flew to New Orleans on Friday, November 21, 1975, to participate in a rally organized by David Duke, leader of the Knights of the Ku Klux Klan of Denham Springs, Louisiana. Reportedly, this activity was held in the vicinity of a book store operated by Duke's organization and was attended by 300 to 400 people. Pierce is said to have left [REDACTED] on Sunday Evening, November 23, 1975, in order to return to Arlington.

It is said that Duke had planned to hold the rally at a local high school and had hoped to attract 4,000 people. Reportedly, the rally was cancelled by school officials, because of a threat by officials of the United States Department of Health, Education and Welfare to cut off Federal funds for Louisiana schools if the rally was held at the school pursuant to arrangements made by Duke. Duke allegedly instituted legal proceedings for an injunction in the matter, but the petition was denied. Duke is expected to appeal the case to a higher court.

On January 5, 1976, a confidential informant, who has furnished reliable information in the past, provided copies of the January, 1976 (Number 42), issue of "Attack!", the tabloid newspaper published by National Alliance/National Youth Alliance (NA/NYA).

NA/NYA is characterized in the Appendix to this communication.

The lead article in the January, 1976, issue of "Attack!" features Assistant Attorney General J. Stanley Pottinger, who is described as "Public Enemy Number 1" of the white race on the basis of his role in enforcing Federal anti-segregation and minority rights laws as head of the Justice Department's Civil Rights Division. Pottinger's picture appears on Page One of "Attack!", under the headline "WANTED, Dead or Alive, J. Stanley Pottinger - for Genocide." The words "or Alive" are crossed out. A description appears under Pottinger's picture, together with his residence address and a record of his alleged "crimes" against the white race.

The above-described article concerning J. Stanley Pottinger has been reproduced, and a copy is attached hereto.

The informant mentioned above has advised that Dr. William L. Pierce, Executive Director of NA/NYA, is

Public Enemy No. 1:

Top 'Civil Rights' Boss Hates Whites

J. (for John) Stanley Pottinger keeps a low profile. Most people have never heard of him. Yet, as assistant attorney general in charge of the Justice Department's Civil Rights Division, he wields enormous power over the lives of all Americans. He uses that power cunningly and viciously in a program aimed at nothing less than the destruction of the White race.

CAUTION

Pottinger has a fanatical hatred of the White race and is known to travel with armed Federal marshals as bodyguards. If you see this man, DON'T ASK QUESTIONS FIRST.

efforts have been in connection with the enforcement of school-busing edicts in various communities, such as Boston and Louisville. When White resistance to Federal Judge Arthur Garrity's busing orders flared in Boston a few weeks ago, Pottinger hastened there with a small army of U.S. marshals to bully unhappy White Bostonians back into line.

He has been enthusiastically performing similar chores for the past six and one-half years, first for the Department of Health, Education, and Welfare, and then, since February 1973, for the Department of Justice. Now he has the overall responsibility for enforcing all the Federal laws and Federal court orders promoting racial mixing and special rights for racial minorities.

Most of the politicians, bureaucrats, publicists, and Federal judges who have been so eagerly collaborating with the anti-American forces now so drastically changing our land are simply prostitutes. They act as they do out of self-interest and utter lack of principle. They are men who always swim with the tide, no matter in which direction it flows.

But a few are true believers. They have consciously dedicated their lives to their satanic work. Looking at Pottinger's career, both in government and out, we can only conclude that he is one of these. He is a truly evil person.

Furthermore, he is a truly dangerous person, because of his extraordinary position in the Federal power structure. There have been four different at-

What It's All About

A lot of people take the attitude that, well, sure, the country's got problems, but what can I do about it? I might as well mind my own business and get along the best I can.

In the National Alliance we look at it a little differently. We think there is something we can do.

We believe that we understand what's causing America's problems. We can see a few common factors which are at the root of all the trouble.

If we can get at those factors and change them, we can make a big difference. We can build a better America.

One of these factors -- and it's a big one -- is that most White Americans have lost their feeling of identity.

Another way of saying this is that they think of themselves merely as individuals, nothing more. They aren't a part of anything bigger than themselves.

Their purpose in life doesn't go much beyond looking out for Number One: providing for their own welfare and recreation. If they're married, they probably include the other members of the family in their purpose, but that's about it.

They have no roots in the past and no responsibility to the future. A psychologist would say they are "alienated."

This is a bad state of affairs. It results in unhappy people and a sick society.

And it's dangerous. People who have no sense of identity or solidarity are easy prey for other groups of people who know who they are and what they want.

That's why we've lost control of our news media, for example. That's why tiny Israel can dictate America's foreign policy and cause oil boycotts against us.

It's why White kids are getting knocked around so much by black kids in our schools. And it's why terrorist gangs are on the rise, killing White people in the streets, kidnapping, raping, and generally showing us that they have no fear and no respect for us.

Americans are in the habit of

many have turned to drugs and other "escapes" from a life that is largely meaningless.

The way to begin curing all these problems is to give White Americans a strong sense of identity. That's part of what we in the National Alliance and its youth arm, the National Youth Alliance, are trying to do.

We're teaching Americans to look at life in a new way: Each White person is not only an individual, but he is also a member of his racial community -- a community with roots in the most distant past and with a destiny in the unlimited future.

The individual should regard himself as a vital link in the chain of generations connecting his race's great past with its glorious future. He should think not only of his own welfare and security but also of the welfare and security of his race.

He should understand that, if America is to survive and prosper, the people who built the country -- the great White majority -- must once again become masters in their own house, and that this can only happen if they put the interests of the race and the nation ahead of personal interests.

This educational task, which is carried out in part by ATTACK! and by the books we distribute, is only part of what we are doing. The bigger task is to build a new community of all those who share our faith and our concern for the future.

We teach, and we organize those whom we have taught into a coherent force for reaching out to others. Thus, we grow, and our strength and capabilities grow.

Eventually, our community will be large enough to exert a substantial influence on the affairs of the larger, national community. Already, in certain cases where we had a lot of leverage, we've been able to make our efforts felt on a national scale.

So our main task for now is to grow -- just continue growing and becoming stronger as fast as we can. And the way we do that is

torneys general (Kleindienst, Richardson, Saxbe, and Levi) during the time Pottinger has headed the Civil Rights Division. While his nominal superiors have come and gone, more preoccupied with politics and their public images than with the detailed duties and responsibilities of their offices, Pottinger has thoroughly entrenched himself and learned how to manipulate the power at his disposal.

And manipulate he does. He burns the midnight oil in his feverish crusade against the White race. He boasts that the Justice Department has prosecuted more Whites for opposition to racial mixing during his tenure than in any previous three-year period in history.

Earlier, while he headed HEW's Office for Civil Rights, he went from one Southern school to another, tirelessly searching for opportunities to increase the degree of racial mixing of school children. Then his principal weapon was the threat to cut off Federal funds to foot-dragging school districts. Now he can threaten individuals with FBI harassment and criminal prosecution.

Nor was school integration been Pottinger's only concern. He played a major role in the unsuccessful prosecution of the Ohio National Guardsmen who shot three Jewish Viet Cong supporters to death at Kent State University in May 1970. And he has also been active in encouraging both Indians and Chicano farm workers to assert themselves against the White majority.

Even before he became a Federal official, Pottinger was active in anti-White causes. From the time he received his law degree from Harvard in 1963, he has devoted his legal skills almost exclusively to the same, diabolical campaign.

We do not know what twisted, inner hatreds drive J. Stanley Pottinger, but we do know that his continued existence fouls our land and threatens our race.

WILLIAM LUTHER PIERCE

William Luther Pierce is Executive Director of the National Alliance/National Youth Alliance (NA/NYA) (see Appendix).

On December 5, 1975, T-1, a source who has provided reliable information in the past, advised that an inquiry at the Virginia State Corporation Commission, Richmond, Virginia, identified William L. Pierce as one of the current directors of National Alliance, Inc., 703 South 23rd Street, Arlington, Virginia. Pierce was also named as the registered agent of National Alliance, Inc.

On January 6, 1976, T-1 advised Pierce completely controls the NA/NYA as he delegates little authority and responsibility to his staff. Pierce handles all telephone calls, correspondence, financial records and personally maintains the organization's mailing list. Pierce writes and publishes the NA/NYA tabloid newspaper "Attack" and the internal organ "Action".

T-1 advised on July 28, 1975, that Pierce obtained a part-time job working three days per month selling surplus equipment obtained from the National Aeronautics and Space Administration.

On December 15, 1975, T-1 stated [redacted] a paid NA/NYA staff member and [redacted] travelled to Boston, Massachusetts, on the weekend of December 13-14, 1975, for the purpose of distributing an anti-busing leaflet (see Appendix) published by the NA/NYA. Pierce helped to pay the expenses incurred by [redacted].

WILLIAM LUTHER PIERCE

On February 9, 1976, T-1 learned Pierce is considering initiating a new series of NA/NYA public meetings involving a non-christian religious theme. This thought may be a result of Pierce's contact with a wealthy Florida real estate operator who is promoting a "church" for the preservation and advancement of Western racial and cultural values.

On November 24, 1975, T-1 advised Pierce travelled to New Orleans, Louisiana, on November 21, 1975, to participate in a rally organized by David Duke, leader of the Knights of the Ku Klux Klan (see Appendix) of Denham Springs, Louisiana.

Who's Behind Busing?

No policy of the Federal government is less popular than the forced racial busing of schoolchildren. Among White, Gentile Americans it is favored only by a few wealthy liberals with twisted, unrealistic ideas about enforcing "equality" on "the masses." These limousine liberals, of course,

send their own children to safe, private schools. Even those Blacks who have a sense of racial pride and want their own children to be taught by Black teachers in Black classrooms are opposed to busing. Yet the Federal government continues to ram busing down the throats of Americans.

Who is behind this tyrannical, divisive policy?

Who has decided that police-state tactics as brutal as any in the Soviet Union shall be used to force White parents to abandon the neighborhood schools they have built with their own taxes and send their children miles away into hostile, dangerous, minority-dominated blackboard jungles? Who has ordered that White

schoolgirls shall be handed into Black schools at bayonet point by armed troops? Who stands to gain from a policy of forced racial mixing of Black and White children which destroys the solidarity of both their communities and paves the way for a raceless, helpless, easily dominated multiple America in the future?

Busing is dangerous and destructive, as well as un-American.

The argument used by the minority which supports busing is that the mixing of Black and White schoolchildren will raise the educational level and improve the life-style of Blacks. This has not been the case. Instead of Blacks being uplifted by the experience, Whites have been pulled down. Among Whites the incidence of juvenile delinquency, of venereal disease, of heroin addiction, and of pregnancies in young

schoolgirls has soared. White children bused to Black schools are shaken down for their lunch money, sexually abused, threatened, beaten, and terrorized. All too often they end up adopting the moral standards and habits of their Black classmates. Furthermore, nationwide tests have shown, year after year, that White students learn less in such a disruptive and hostile environment.

Isn't it about time that White Americans found out who is behind forced busing and dealt with them as they deserve?

[redacted] WILLIAM L. PIERCE.

On Friday, May 7, 1976, CHARLES H. MC GUIRE attended a meeting of the National Alliance, 703 South 23rd Street, Arlington, Virginia, Crystal City Headquarters, as scheduled in National Alliance (NA) Bulletin Number 50. WILLIAM L. PIERCE was the only speaker. The theme of the meeting was to expound quasi-religious aspects of WILLIAM L. PIERCE's ideological philosophy. WILLIAM L. PIERCE's recent tactical turn was to make neo-religion out of neo-Nazism. A Man-rune sign was mounted on a white scarf in front of podium as a religious symbol of neo-Nazism.

Attending the meeting were WILLIAM L. PIERCE,

[redacted] They recently got interested in the movement via newsrack newspapers, etcetera, and appear sincere.

WILLIAM L. PIERCE started his speech by noting that this June will mark his tenth year working actively in Movement for Neo-Nazism (though he never uses that term). He mentioned his "newly discovered, just

beginning to realize and learn" of religious aspects of movement for racial Aryan supremacy - "climb towards Godhood of Aryans as race". He mentioned how Germans assassinated their traitors (even "conservatives") in World War I and II. KISSINGER is still alive here in spite of millions opposed to bussing, Panama Canal giveaway, etcetera, because American masses have ad hoc sentiments towards protest and reform. As all Conservatives, Americans will not rebel because they believe in the TV religion of Race Equality, as expounded by Jews and white racial traitors, liberals, conservatives, and left-wingers.

True NS must become real radicals, need new premises, and a religious basis for beliefs and ideals, as expounded in the last six bulletins of "Action". This is not just a new religious frill on WILLIAM L. PIERCE's part; we need a new world view of creation. Our symbol will be the Runc sign for Man, we need higher self-consciousness as a Race. We must continue to safeguard racial integrity and climb towards godhood. If we fail, continue on current degenerative course as a race, it will be the death of this attempt to climb towards godhood in this corner of the Universe, a phenomenon which, according to laws of probability will not recur for another five billion years in the universe, before a new race can evolve that is as far ahead towards the climb toward godhood.

Those present who agree with this philosophy were asked to raise hands if and when they want to meet again to further expound on this religious philosophy. All present want to meet again Sunday evening, 8:00 p.m.; May 23 was chosen as the best time for the meeting.

WILLIAM L. PIERCE mentioned immediate needs of National Alliance at headquarters: more help, more money, need office manager (but at \$15,000 a year going rate for salary have no money to pay, want volunteer who will work for stipend), a book store at right location is needed in D.C., with a percentage of profits (10%) to go to NA. They need other business ventures to put NA on self-supporting basis. WILLIAM L. PIERCE is already in electronic equipment, buying and selling

and repairing [redacted]

[redacted] WILLIAM L. PIERCE is doing technical work on electronics, but has no time. He needs help. NA needs more room for storage, workshops, etcetera. It needs trucks to transport equipment and supplies. [redacted]

[redacted] NA needs aid in law suit against IRS to regain tax-exempt status. On the whole, the meeting was very successful in launching new tactical religion. [redacted]

[redacted] it is believed no one [redacted] fully realized and understood what WILLIAM L. PIERCE was attempting from a quasi-religious point of view, as few had read the last six bulletins of "Action" [redacted]

On Tuesday, May 11, 1976, WILLIAM L. PIERCE [redacted]

[redacted] WILLIAM L. PIERCE [redacted] his alias, EARL ANDERSON, which is the name he often uses in dealings with Congress, outsiders, and when travelling at the address of NA/NYA, Box 3535, Washington, D.C., 20007. This is same name PIERCE used in communications with the U.S. Senate Foreign Relations Committee during confirmation hearings of HENRY KISSINGER as Secretary of State on September 14, 1973. Citizens for Regan local telephone number was 452-7676 as of May 11, 1976 [redacted]

On Thursday, May 13, 1976, latest issue of "National Chronicle", dated April 29, 1976 [redacted]. This is a very informative issue, with recantulation of "Posse Comitatus" situation to date, by Editor HAL W. HUNT, as he reviews "Counter Spy" magazine article. HUNT says "Counter Spy" is a front for the CIA. Also in this April 29 issue is a reprint of "Class Action Suit by Citizen WILLIAM R. TABST versus President GERALD FORD Administration" (Civil Action Number

76-H-667), which is a complaint against the Concentration Camp Program of Department of Defense.

At the meeting [redacted] reported he sent telegrams to President FORD to the effect that the latter has made some positive anti-busing commitments lately and if he is sincere he should follow it up by firing Assistant Attorney General [redacted] who is leading the pro busing group. [redacted] signed half a dozen other NA names besides his own having been given permission to do so by round robin petition at previous meeting.

PIERCE was only speaker at the meeting. His subject: Primitive man needed only an agricultural basis to form a mode of living and surviving, Aryan Man needs a spiritual basis which will permit him to survive a thousand years or more. Colonial Americans were pragmatists, short sighted, sentimentalists, needed the arms and legs of negros for labor, did not consider racial aspects. The next formal meeting was set for July 4, 1976.

The National Convention of the New Christian Crusade Church is scheduled for early September in the New Orleans, Louisiana, area. According to schedules prepared by JAMES K. WARNER, founder and leader of the New Christian Crusade Church (NCCC), delegates to the convention will register at the Patriot Bookstore, 3410 Johnson Street, Metairie, Louisiana, beginning Tuesday, September 7, 1976, at 10:00 a.m. The convention will convene September 11. At the time of the registration of the delegates there will be presented with a schedule of the convention.

Persons attending the NCCC Convention may also attend the Ku Klux Klan Indoor Rally to be held on September 11, 1976, followed by a ceremony at the White Monument in New Orleans, on the following day.

The World Nationalist Conference, the first to be held since 1937, in Germany, will hold a closed meeting in New Orleans on September 8 and 9, prior to the NCCC convention and Ku Klux Klan Rally to plan strategy for the survival of Christianity for the white race and western civilization. It is expected that persons from Europe and other countries in the western hemisphere will attend this conference as well as the Ku Klux Klan Rally.

A regular formal meeting of the National Alliance (NA) was held at NA headquarters, 703 South 23rd Street, Arlington, Virginia, [redacted] Attending were WILLIAM L. PIERCE, [redacted]

[redacted] PIERCE was the only speaker at the meeting. Following the recitation of the NA Creed PIERCE said NA is impotent at the present time as there are few members, no money, and little commitment. Each member could be multiplied by ten, then by thousands, and with a firm commitment, the NA would grow. The NA must carry out the Creator Purpose. The mission is to realize our destiny. This was the purpose and destiny

[redacted] The movie was an hour long black and white documentary, "The Yanks Are Coming". The movie was preceded by a lecture from PIERCE, who read from his "National Socialist World" magazine, published some years ago, discussing the origins of World War I, especially the Zionist role in bringing the United States into World War I, the Jewish-Bolshevik sabotage of the German war effort in 1918 through strikes, pacifism, mutinies, treason, and desertion, and comparing this with similar sabotage by Communist-Zionist of the United States war effort 50 years later during the Viet Nam war.

[REDACTED] PIERCE was the only speaker. His lecture was on the ideology and philosophy of the new religiously-oriented new tact he is taking with NA.... "Our philosophy is all inclusive...the society we want is different (unique) from all others past and present....Present ideologies, philosophies, and systems of government and economics: monarchy, plutocracy technocracy, gerentocracy, democratic-mobocracy, anarchy, and their economic systems of communism, capitalism, etc....none of these have a definite PURPOSE, just reasons for existance, and small goals, such as building dams, power plants, supervising and regulating commerce, keeping law and order, etc....In contrast, NA must build a society with a PURPOSE....Conservatives want to go back to the Constitution (which is impossible, like unscrambling an egg) our purpose must be the same as THE PURPOSE OF THE CREATOR (the universe). we must strive for NATURALISM RACIAL HOMOGENEOUS society, we must throw off the Jew imposed culture of the Jew and Negro...Our society will form or reform slowly, over generations, moulded to Race, be dynamic, progressive towards .

Race, towards Godhood, this is inherently slow, works through genes, etc...We guarantee after one year in power we will reduce street crimes to one percent (1%) of present rate (by euthanasia, etc..) and prevent it from recurring (by eugenics, etc..) Homosexuals and bi-sexualism will be wiped out (or at least driven back into the closets), we must wrest control of our economy from the plutocrats, destroy the power of the mass (Jew controlled) media, and the Imperial Court (Warren Court, etc..) we are not conservatives trying to restore constitution - they can never win...we are a revolutionary party of activists and idealists, all this nonsense about one man one vote must go, our electorate shall consist only of elite party members, citizenship and vote shall be restricted to elite, as in ancient Rome, Greece, etc..free enterprise must go... our society will be racially and spiritually homogeneous a society based on blood, not gold, our families shall not be merely economic units, but eugenics shall be paramount, education shall be for racial identity and consciousness, with a PURPOSE - from distant past to unforeseen future--as we march towards Godhood...only relevant subjects will be taught..."

[redacted] (11 in all). 2 reel, 1 hour movie was entitled: "I, Leonardo da Vinci" an excellent but incomplete story of his life & work. Pre-showing lecture by WLP: Leonardo was a universal genius, etc....Jews say we owe so much to Jews in field of arts, sciences, et al., and name Freud, Einstein, Salk as examples. These & other Jews made some contributions to science, art, & medicine after standing on the shoulders of their Aryan predecessors from whom they borrowed heavily, but most Jews are not creative in the arts, science & medicine, get into it only when they find there is money to be made, etc... But because Jews control all communications media, their contributions are blown-up out of all proportion to their actuality. Jews tend to usurp & get in control of any endeavour they enter, promote the interests of their own tribe and squeeze Aryans out....If Leonardo was living in the 20th century, he probably could not have gotten into the arts or medicine because of the Jews, and probably would have entered the army. Some memorable Leonardo sayings from the movie: Doers, not thinkers, are the most remembered by history - and - While I thought I was learning to live, I was really learning how to die....etc...

(Leonardo da Vinci's (1452-1519) contributions to the arts, science, and medicine have never been excelled by any one individual. He was a painter, sculptor, architect, engineer, and scientist....As a scientist he originated the science of hydraulics & made studies in meteorology, anatomy, and mathematics; as an engineer, he built the Martesana Canal and numerous military inventive-constructions, tanks, airplanes, machine guns, et al....as an architect he designed the Milan cathedral, as sculptor he made colossal bronze monuments, among his paintings the best known are The Last Supper, and the Mona Lisa, et al.....)

WLP lecture was on: We must look ahead for long range victory over our poisonous & powerful enemy (Jews) ...no room for defeatists in NA, for those who say it is too late to prevent complete racial pollution, no compromisers as now in Rhodesia & So.Africa, first we must wake up and recruit individuals, second we must educate & recruit the masses; the conversion to our cause must be a spiritual motivation, not factual nor material.....Spiro Agnew and Gen. Geo. Brown learned from our newspaper ATTACK!, but Agnew is still a materialistic money-grubber and Gen. Brown back-tracked into apologies, neither is a potential convert for us at this time. To make progress we need to cross two thresholds, the first threshold immediately: to recruit a full time staff of at least ten full time workers at NA, to carry on in case WLP is incarcerated or meets with a worse fate from the Jews..... If WLP was eliminated at this time it would mean the complete collapse & disappearance of NA, as he is running a one-man newspaper & organization, and we need the money to operate a viable office w/staff...second threshold is organization for action against enemy- we will not go underground unless forced to by enemy (Genocide Treaty-etc) eventually we need full-time staff 100 around country. WLP apologized for shortness of lecture, said he had been pressed for time. He hoped the small attendance at this meeting was only a fluke, that the meeting room would be more filled up for future meetings.

Notes from Lecture by WLP: National Alliance goals for the next few years will not be political in the ordinary sense, but will be for the purpose of increasing our membership and capabilities. The first threshold we must pass is to establish our viability, we must build a solid cadre of dedicated converts to establish our movement on a solid and everlasting basis. After we do this we must cross the second threshold which shall be establishing our capability for aggressive action, we must seize every opportunity, and take every initiative to expand our movement so that it will be known to the great American middle class, which comprise about 80% of US population.

There have been some false claims of passing this second threshold in the past, typical was the Black Panther movement which invaded San Francisco's City Hall & Court Rooms with armed Blacks, with rifles and other weapons apparently ready to start the revolution right away. They received great publicity for this stunt throughout the mass media, it was a ; phoney ploy but they did make themselves known to the entire U.S. population and as a result did increase greatly in numbers and financial capabilities. But whereas the Liberal Media made heroes out of these armed revolutionary blacks, so called, we cannot expect such treatment from the Jew-controlled mass media. If we tried such a stunt, the media would more likely hold us up to ridicule as they did with other Right Wing groups such as the Posse Comitatus recently rounded up out west when they tried to go into action. Obtaining growth by these Kook methods would be at best an inorganic growth of an undigestable mass of kooks & dilettantes. What we need is an organic growth of sincere converts who will stay with our movement through thick & thin, and be ready to lay down their life for the advancement of our race towards its destiny of godhood.

Our past actions have been dedicated to the primary task of communicating with thousands of potential candidates for membership in our organization, thus we publish a newspaper and inner sanctum bulletin, and are currently pushing to increase our circulation so that we may become known to thousands more potential members. Our immediate task is to glean from our current subscribers and single-issue receivers some real candidates. We must do this recruitment at the present time on a one-by-one basis with personal contact. One such real organic convert is worth ten casual subscribers at this time. If each of us can make such one organic convert once each year, than we double our membership in one year. For this missionary work we now have available a 45 minute cassette tape which we can play to a congregation of interested friends. Some of us, if not most of us, have been closet believers in the past. We must come out of the closet now, ignore the ridicule of the stupid TV ~~kiss~~ boobs, and play the tapes before 30 - 40 people. If this gets one good convert - the effort is worth while. We must also discipline our personal behavior & appearance. We cannot tolerate in ourselves any drunkenness, for example, or anything else that would reflect upon our duty, discipline & honor. We must become missionaries, & lift ourselves up as an example & leader to follow, etc...
